### Chairman Message

Burdwan Municipality inspired by our great leader Miss Mamata Banerjee has singularly one Objective i.e. DEVELOPEMENT. Facing the challenge of addressing 'The Green Agenda' (Problems of industrialization, Motorization, warming, pollution etc.) and 'The Brown Agenda' (providing shelter, Nutrition, sanitation, water supply etc.) - We are Determined to address both the issues With strong determination and devotion.

### Trident Light

Decorative Trident light will be a part of the beautification & decoration at both sides of G. T.

Road, from Ullas bus stand to Parbirhata bus stand and Nababhat more to Golapbag, Kathgola more, work done by Burdwan Municipality.

## Green Park

The DPR of Green Space & Park development project of various parks under Amrut has been prepared and placed before to the State authority.

## Introducing Acceptance of Card at Tax Collection Dept.

To Facilitate the Tax Payers with the help of modern technology, this Municipality is going to introduce the payment of property tax through debit or credit card via POS machine.

## Water

For supplying potable water to the entire area under Burdwan Municipality with a water treatment plant using sub-surface source of river Damodar and distribution thereof has been shortlisted by the State Authority under AMRUT. For this reason the

Total area of Burdwan Municipality has been divided in 10 (Ten)

zones and 10 nos. OHR will be installed at each zone. DPR of an amount of approx. Rs. 301.00 Cr. has been prepared and submitted to the state authority.
