GENERAL RULES AND DIRECTION FOR GUIDANCE OF TENDER/SUPPLIERS

1. ***Responsibility and Power of Engineer-in-charge and his representative***

The Engineer-in-Charge or his representative shall monitor the supply position. He shall have authority to stop the work whenever such stoppage may be necessary to ensure proper execution of the contract. He shall have authority to reject any materials supplied which do not conform to the contract documents.

The Engineer-in-Charge or his representative shall have the power of inspection of all the materials supplied under this contract. In order that inspection services may be provided the contractor shall keep the Engineer-in-Charge or his representative posted regarding inspection & dispatch schedules.

All supplied items in pursuance of the contract shall at all times be open to the inspection of Municipal Authority / Municipal Engineering Directorate and its representatives. The contractor shall at all times during the usual working hours, and at all other times at which reasonable notice of the contractor either himself be present to receive orders and instructions or have responsible agent duly accredited in writing present for that purpose.

2. ***Disruption of Progress***

The contractor shall give written notice to the Engineer-in-Charge/Chairperson of the Municipality /Mayor of the Corporation, as the case may be regarding the delay in supply of items or unless any further approval or order including a direction, instruction or approval is issued by the Engineer-in-Charge /Chairperson of the Municipality /Mayor of the Corporation, as the case may be within a reasonable time. The notice shall include details of the items that are to be supplied or order required and of why and by whom it is required.

3. ***Contractors General Obligations and Responsibility***

The contractor shall, subject to the provision of the contract, and with due care and diligence maintain the supply and provide all labour, including the supervision thereof, materials, and all other things, whether of a temporary or permanent nature, required in and for such maintenance, so far as the necessity for providing the same is specified in or is reasonably to be inferred from the contract.

4. ***Programme of Supplies***

The contractor shall furnish within a fortnight from the date of order the followings:

- a) Confirmation of the quantity of supply of items to be delivered.
- b) Delivery schedule of the ordered materials

5. ***Contractors to arrange all Labour : Materials : Tools & Plants***

Unless otherwise specifically provided for in the schedule of materials attached to the bid, all materials supplied shall be approved type and as per specifications and shall be procured, brought at site and stored by the contracting firm at his cost and risk.

The rates quoted for the items shall be inclusive of all costs of materials, labour transportation, and storage. The rates shall also cover all taxes viz. Sales tax, any local taxes, duties etc that are payable by the firm under the law of the land. Statutory increase on such elements, if any during the period of contract shall not be paid extra.

6. ***Loss and Damage***

Neither the Municipal authority nor the Engineer-in-Charge or his representative shall be answerable and accountable in any manner for any loss or damage that may happen to the supplied materials or other things used in the performing the supply work, or for injury to any person, either a workman or any member of the public, or for damage to any property for any cause which might have been provoked by the contractor. The contractor shall properly guard against all these injuries or damages to persons or property resulting from his operations under this contract at any time before issuance of the certificate of completion of supply. He shall indemnify and save harmless the authority from all suits or actions of every description brought for, on account of, any injury or damage received or sustained by any person or persons by reason of the material supply work, negligence in guarding the same, the use of improper materials or of any act of omission or deviation from the contract.

7. ***Supervision of Work***

The Engineer-in-Charge or his representative shall have the power at any time from time to time by notice to the contractor to delay or suspend the progress in supply of items during unsuitable weather for any other adequate reasons and on receipt of such notice, the contractor shall forthwith suspend further progress of supply work until further notice from the Engineer-in-Charge.

The contractor shall recommence supply work immediately on receiving a notice to do so from Engineer-in-Charge. The whole or any part of the time lost for such delay or suspension shall, if authority in its absolute discretion thinks fit but not otherwise be added to the time allowed for, completion of supply of items. But the contractor shall have no claim to extra payment or compensation whatsoever on the grounds of above delay.

8. ***Employer's right to terminate contract***

If the contractor should be insolvent or bankrupt, (or in case the contractor is a company, it goes into voluntary or judicial liquidation) or he should make a general assignment for the benefit of his creditors or a receiver should be appointed on account of his insolvency, or he should persistently or repeatedly refuse or should fail, except in cases for which extra oftime is provided, to supply enough proper materials, in order to maintain progress according to the progress of supply work, or he should fail to make prompt payment to labour contractors if any, or for materials or labour, or he should positively by laws, ordinance or the instruction of the Engineer-in-Charge or otherwise be guilty, of a substantial violation of any provision of the contract after giving the contractor seven days written notice terminate the employment of the contractor.

9. ***Supplementary Specification***

Whenever reference is made in these documents to certain special specifications, the reference shall be construed to include all subsequent amendments, changes or additions that are published and in effect at the date of signing of this contract.

The authority reserves the right to issue additional conditions, specification etc if necessary which will be incorporated with bid documents already sold to bidders for the purpose of the work.

10. ***Employer's right to split package***

The authority reserves the right to split the package and accept or reject any part of the offer from the scope of supply work without assigning any reason.

11. ***Payments and Certificates***

Payment for the supplies by the contractor will be based on measurements recorded at the receipt of the materials at site. The contractor or his authorized agent or representative shall be present at the time of recording of each set of measurements and sign the measurement book.

If for any reason the contractor or his authorized agent is not available, and the work is suspended by the engineer-in-Charge to avoid recording of measurements during the absence of the contractor or his authorized representative, the authority shall not entertain any claim from the contractor for any loss incurred by him on this account. If the contractor or his authorized agent or representative does not remain present at the time of such measurements after the contractor has been given a three day notice in writing, such measurements may be taken in his absence and shall be deemed to be accepted by the contractor.

12. ***Insurance of Works, etc.***

Without limiting his obligations and responsibilities, the contractor shall insure in the name of the Corporation/Municipal Authority and the contractor against any loss or damage from whatever cause arising for which he is responsible under the terms of the contract and in such manner that the Corporation/Municipal Authority and contractor are covered for the period of supply as well as during the period of maintenance for loss or damage arising from a cause, and for any loss or damage occasioned by the contractor in the course of any operations carried out by him for the purpose of complying with his obligations as follows:

The works for the time being executed to the estimated current contract value thereof together with the cost of materials supplied by the Municipal Authority free of cost.

Such insurance as mentioned above shall be effected with an insurer and in terms approved by the Corporation/Municipal Authority. The contractor shall bear the cost of all such insurance and whenever required, produce to the Engineer-in-Charge or his representative the policy or policies of insurance and the receipts for payment of the current premiums.

13. ***Notification of Insurer***

It shall be the duty of the contractor to notify the insurers under any of the insurances referred any matter

or count which by the terms of such insurances are required to be notified and the contractor shall indemnify and keep indemnified the Corporation/Municipal Authority against all losses,

claims, demands, proceedings, costs charges and expenses whatsoever arising out of or resulting from any default by the contractor in complying with the requirements of this sub- clause whether as a result of the avoidance of such insurance or otherwise.

14. ***All insurance at contractor's cost***

The insurances referred to in this bid document shall be entirely at the cost and expenses of the contractor.

15. ***Remedy on contractor's failure to insure***

If the contractor shall fail to effect and keep in force the insurance referred to clauses hereto, or any other insurance which he may be required to effect under the terms of the contract, then and in any such case may effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time and deduct double the amount so paid by the Municipal

Authority as aforesaid from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor.

16. ***Idle Labour***

No claim for idle labour would be entertained under any circumstances

17. ***Inspection Facilities***

The contractor shall provide necessary facilities for inspection of the supplied items for quality control by the Engineer and for the purpose of carrying his instructions as may be recorded in writing in site Order Book.

18. ***Labour Act***

The contractor should obtain the license under the provision of the contract labour (Regulation and Abolition) Act 1970 and contract labour (regulation and Abolition) general rules, 1971 including the provisions of amendments made there under of the same to the office of the Executive Engineer within ten days after formal agreement.

The bid and all correspondence and documents related to the bid exchanged by the bidder and Municipal Authority shall be written in English language. Supporting documents and printing literature furnished by bidder may be another language provided they are accompanied by an accurate translation of the relevant passages in English. For the interpretation of the bid, the English translation shall prevail.

20. ***Contractor's Local Address***

The contractor shall furnish the postal address of his site office. Any notice or instruction to be given to the contractor under the terms of contract shall be deemed to have been served if it has been delivered to his authorized agent or representative of site or sent by registered letter to the site office or to the address.

21. ***Precedence of Contract Documents***

If any stipulation indicated in any component of contract documents be at variance in any respect with those in the other, the decision of the Superintending Engineer will stand final and binding.

22. ***Time of Completion***

The entire supply work as per schedule and specification shall be completed within stipulated time from the date of issue of work order.

The period of completion given includes the time required for mobilization and testing as well, rectification, if any, retesting and completion in all respects to the entire satisfaction of the Engineer-in-Charge including the monsoon season.

This is the essence of this contract and the allotted supply work must be complete within the specified time. Extension of time will not be granted except in very exceptional circumstances beyond the control. This clause of extension of time will have precedence over any other similar clauses if they are at variance with penalty for non-complete of the supply work in time as indicated elsewhere.

23. **Action for non completion**
Failure to comply with above conditions and specifications will result in the Municipal Authority taking action at the risk and cost of the contractor. Submission of the bid binds the contractor for complying with requirements of the above conditions and specifications without any extra payment on any account.
24. **Terms of Payment**
Payment will be made only after receiving the materials as per stipulated terms and condition laid down in the agreement and acceptance of material at site after deducting security deposit as stated in clause above and other statutory deduction.
25. **Deduction of Tax**
Deduction of sales Tax, Income Tax, and any other taxes are payable as per prevailing tax laws at the prescribed rate at the time of making payment to the contractor.
26. **Typographical Error**
Typographical errors deducted or pointed out are subject to corrections by the Quotation Inviting Authority. No benefit can be derived by any party on account of such error.
27. **Completion Certificate**
Municipal Authority/ Engineer-in-Charge will issue certificate of completion of supply work when all supply works or otherwise undertaken have been completed in all respect.
28. In the event of the Quotation, being submitted by a Partnership Firm, it must be signed separately by each member thereof, or, in the event of the absence of any partner, it must be signed on behalf by a person holding a Power- of – Attorney authorizing him to do so.
29. Receipts for payment made to a Firm must be signed by the several partners except in the case of well-known and recognized firm and except where the Suppliers are described in their Quotation or Supply as a firm.
30. All Tenders received will be opened by the **Municipal Authority** in the presence of tenderers who may be at the office at the time.
31. The authority reserves the right to reject any or all of the tenders without assigning any reason and to accept any tender in whole or in part.
32. The tenderer has to quote the rates in % (Percentage) both in figures and words against the work for execution of a Rate-contract Agreement which should be valid for 1 (one) year from the date of the agreement.
33. Works shall be completed in all respect within stipulated time frame after the work order is placed.
