A

photocopy of the above should be submitted to the concerned Executive Engineer, MED for his information.

11. On the completion of the delivery of materials the Supplier shall be furnished with a certificate to that effect but the delivery will not be considered complete until the Supplier shall have removed all rejected materials and shall have the approved materials stacked or placed in such position as may be pointed out to him.
12. The materials are of the best description and in strict accordance with the specification, and the Supplier shall receive payment for such materials only as are approved and passed by Mayor / Chairperson, BOA, of Municipal Corporation / Municipality.
13. In the event of the material being considered by Mayor / Chairperson, BOA, of Municipal Corporation / Municipality to be inferior to that described in the specification the Supplier shall on demand in writing, forthwith remove the same at his own charge and cost and in the event his neglecting to do so within such period as may be stipulated by Mayor / Chairperson, BOA, of Municipal Corporation / Municipality may have such rejected materials removed at the Supplier's risk and expense, the expense incurred being liable to be deducted from any sums due, or which may become due to the Supplier.
14. If the Supplier or his work-people break or deface any building, road, fence enclosure or grass land or cultivated land, he shall make good the same at his own expense and in the event of his refusing or failing to do so, the damage shall be repaired at his expense by the Mayor / Chairperson, BOA, of Municipal Corporation / Municipality, who shall deduct the cost from any sums due, or which may become due to the Supplier.
15. Supplier shall supply at his own expense all tools, plant and instruments required for the due fulfillment of his Supply and the materials shall remain at his risk till the date for final delivery unless it shall have been in the mean time removed for use by Mayor / Chairperson, BOA, of Municipal Corporation / Municipality.
16. The Supplier shall not sublet without specified order from authority in respect of a specified sub-Supplier. In the event of the Supplier subletting his Supply without such permission, he shall be considered to have thereby committed a breach of Supply agreement and shall forfeit his security deposit and shall have no claim for any compensation for any loss that may have collected or engagement entered into.
17. The decision of the concerned Superintending Engineer, MED shall be final binding and conclusive on all question relating to the meaning of the specification.
18. The Mayor / Chairperson, BOA, of Municipal Corporation / Municipality shall have power to make any alteration in, omissions from, additions to or substitution for the original specification, drawings, designs and instructions, that may appear to him to be necessary or advisable during the course of supply of the materials and the Supplier shall be bound to supply the materials in accordance with any instructions which may be given to him in writing signed by the Chairperson, BOA, Burdwan Municipality and such alterations, omissions, additions or substitutions shall not invalidate the Supply and any altered addition or substituted materials which the Supplier may be directed to supply in the contract in the manner above specified as part of the work shall be supplied by the Supplier on the same conditions in all respect on which he agreed to do the main work, and at the same rates as are specified in the Quotation for the main work.

GENERAL RULES AND DIRECTION FOR GUIDANCE OF QUOTATIONER/SUPPLIERS

1. Responsibility and Power of Engineer-in-charge and his representative

The Engineer-in-Charge or his representative shall monitor the supply position. He shall have authority to stop the work whenever such stoppage may be necessary to ensure proper execution of the contract. He shall have authority to reject any materials supplied which do not conform to the contract documents.

The Engineer-in-Charge or his representative shall have the power of inspection of all the materials supplied under this contract. In order that inspection services may be provided the contractor shall keep the Engineer-in-Charge or his representative posted regarding inspection & dispatch schedules.

All supplied items in pursuance of the contract shall at all times be open to the inspection of Municipal Authority / Municipal Engineering Directorate and its representatives. The contractor shall at all times during the usual working hours, and at all other times at which reasonable notice of the contractor either himself be present to receive orders and instructions or have responsible agent duly accredited in writing present for that purpose.

2. **Disruption of Progress** The contractor shall give written notice to the Engineer-in-Charge/Chairperson, BOA, of the Municipality /Mayor of the Corporation, as the case may be regarding the delay in supply of items or unless any further approval or order including a direction, instruction or approval is issued by the Engineer-in-Charge /Chairperson, BOA, of the Municipality /Mayor of the Corporation, as the case may be within a reasonable time. The notice shall include details of the items that are to be supplied or order required and of why and by whom it is required.

3. **Contractors General Obligations and Responsibility** The contractor shall, subject to the provision of the contract, and with due care and diligence maintain the supply and provide all labour, including the supervision thereof, materials, and all other things, whether of a temporary or permanent nature, required in and for such maintenance, so far as the necessity for providing the same is specified in or is reasonably to be inferred from the contract.

4. **Programme of Supplies** The contractor shall furnish within a fortnight from the date of order the followings:

- a) Confirmation of the quantity of supply of items to be delivered.
- b) Delivery schedule of the ordered materials

5. **Contractors to arrange all Labour : Materials : Tools & Plants**
Unless otherwise specifically provided for in the schedule of materials attached to the bid, all materials supplied shall be approved type and as per specifications and shall be procured, brought at site and stored by the contracting firm at his cost and risk.

The rates quoted for the items shall be inclusive of all costs of materials, labour transportation, and storage. The rates shall also cover GST that are payable by the firm under the law of the land.

6. **Loss and Damage** Neither the Municipal authority nor the Engineer-in-Charge or his representative shall be answerable and accountable in any manner for any loss or damage that may happen to the supplied materials or other things used in the performing the supply work, or for injury to any person, either a workman or any member of the public, or for damage to any property for any cause which might have been provoked by the contractor. The contractor shall properly guard against all these injuries or damages to persons or property resulting from his operations under this contract at any time before issuance of the certificate of completion of supply. He shall indemnify and save harmless the authority from all suits or actions of every description brought for, on account of, any injury or damage received or sustained by any person or persons by reason of the material supply work, negligence in guarding the same, the use of improper materials or of any act of omission or deviation from the contract.

7. **Supervision of Work** The Engineer-in-Charge or his representative shall have the power at any time from time to time by notice to the contractor to delay or suspend the progress in supply of items during unsuitable weather for any other adequate reasons and on receipt of such notice, the contractor shall forthwith suspend further progress of supply work until further notice from the Engineer-in-Charge.

The contractor shall recommence supply work immediately on receiving a notice to do so from Engineer-in-Charge. The whole or any part of the time lost for such delay or suspension shall, if authority in its absolute discretion thinks fit but not otherwise be added to the time allowed for, completion of supply of items. But the contractor shall have no claim to extra payment or compensation whatsoever on the grounds of above delay.

8. **Employer's right to terminate contract** If the contractor should be insolvent or bankrupt, (or in case the contractor is a company, it goes into voluntary or judicial liquidation) or he should make a general assignment for the benefit of his creditors or a receiver should be appointed on account of his insolvency, or he should persistently or repeatedly refuse or should fail, except in cases for which extra of time is provided, to supply enough proper materials, in order to maintain progress according to the progress of supply work, or he should fail to make prompt payment to labour contractors if any, or for materials or labour, or he should positively by laws, ordinance or the instruction of the Engineer-in-Charge or otherwise be guilty, of a substantial violation of any provision of the contract after giving the contractor seven days written notice terminate the employment of the contractor.

9. **Supplementary Specification** Whenever reference is made in these documents to certain special specifications, the reference shall be construed to include all subsequent amendments, changes or additions that are published and in effect at the date of signing of this contract.

The authority reserves the right to issue additional conditions, specification etc if necessary which will be incorporated with bid documents already sold to bidders for the purpose of the work.

10. **Employer's right to split package**

The authority reserves the right to split the package and accept or reject any part of the offer from the scope of supply work without assigning any reason.

11. **Payments and Certificates**

Payment for the supplies by the contractor will be based on measurements recorded at the receipt of the materials at site. The contractor or his authorized agent or representative shall be present at the time of recording of each set of measurements and sign the measurement book.

If for any reason the contractor or his authorized agent is not available, and the work is suspended by the engineer-in-Charge to avoid recording of measurements during the absence of the contractor or his authorized representative, the authority shall not entertain any claim from the contractor for any loss incurred by him on this account. If the contractor or his authorized agent or representative does not remain present at the time of such measurements after the contractor has been given a three day notice in writing, such measurements may be taken in his absence and shall be deemed to be accepted by the contractor.

12. **Insurance of Works, etc.**

Without limiting his obligations and responsibilities, the contractor shall insure in the name of the Corporation/Municipal Authority and the contractor against any loss or damage from whatever cause arising for which he is responsible under the terms of the contract and in such manner that the Corporation/Municipal Authority and contractor are covered for the period of supply as well as during the period of maintenance for loss or damage arising from a cause, and for any loss or damage occasioned by the contractor in the course of any operations carried out by him for the purpose of complying with his obligations as follows:

The works for the time being executed to the estimated current contract value thereof together with the cost of materials supplied by the Municipal Authority free of cost.

Such insurance as mentioned above shall be effected with an insurer and in terms approved by the Corporation/Municipal Authority. The contractor shall bear the cost of all such insurance and whenever required, produce to the Engineer-in-Charge or his representative the policy or policies of insurance and the receipts for payment of the current premiums.

13. **Notification of Insurer** It shall be the duty of the contractor to notify the insurers under any of the insurances referred any matter or count which by the terms of such insurances are required to be notified and the contractor shall indemnify and keep indemnified the Corporation/Municipal Authority against all losses, claims, demands, proceedings, costs charges and expenses whatsoever arising out of or resulting from any default by the contractor in complying with the requirements of this sub-clause whether as a result of the avoidance of such insurance or otherwise.

14. **All insurance at contractor's cost:** The insurances referred to in this bid document shall be entirely at the cost and expenses of the contractor.

15. **Remedy on contractor's failure to insure**

If the contractor shall fail to effect and keep in force the insurance referred to clauses hereto, or any other insurance which he may be required to effect under the terms of the contract, then and in any such case may effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time and deduct double the amount so paid by the Municipal Authority as aforesaid from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor.

16. **Idle Labour** No claim for idle labour would be entertained under any circumstances.

17. **Inspection Facilities** The contractor shall provide necessary facilities for inspection of the supplied items for quality control by the Engineer and for the purpose of carrying his instructions as may be recorded in writing in site Order Book.

18. **Labour Act** The contractor should obtain the license under the provision of the contract labour

(Regulation and Abolition) Act 1970 and contract labour (regulation and Abolition) general rules, 1971 including the provisions of amendments made there under of the same to the office of the Executive Engineer within ten days after formal agreement.

The successful bidder whose bid will be accepted shall either personally deliver the license form in triplicate to the licensing officer of the area in which the establishment in relation to which the contractor is selected for the job. The application form in Form IV shall be forwarded along with Form V, which may be available from the EIC of the concerned Division /Chairperson, BOA, of the Municipality /Mayor of the Corporation, as the case may be.

19. **Language for Correspondences** The bid and all correspondence and documents related to the bid exchanged by the bidder and Municipal Authority shall be written in English language. Supporting documents and printing literature furnished by bidder may be another language provided they are accompanied by an accurate translation of the relevant passages in English. For the interpretation of the bid, the English translation shall prevail.
20. **Contractor's Local Address** The contractor shall furnish the postal address of his site office. Any notice or instruction to be given to the contractor under the terms of contract shall be deemed to have been served if it has been delivered to his authorized agent or representative of site or sent by registered letter to the site office or to the address.
21. **Precedence of Contract Documents** If any stipulation indicated in any component of contract documents be at variance in any respect with those in the other, the decision of the Superintending Engineer will stand final and binding.
22. **Time of Completion** The entire supply work as per schedule and specification shall be completed within stipulated time from the date of issue of work order.

The period of completion given includes the time required for mobilization and testing as well, rectification, if any, retesting and completion in all respects to the entire satisfaction of the Engineer-in-Charge including the monsoon season.

This is the essence of this contract and the allotted supply work must be complete within the specified time. Extension of time will not be granted except in very exceptional circumstances beyond the control. This clause of extension of time will have precedence over any other similar clauses if they are at variance with penalty for non-complete of the supply work in time as indicated elsewhere.

23. **Action for non completion** Failure to comply with above conditions and specifications will result in the Municipal Authority taking action at the risk and cost of the contractor. Submission of the bid binds the contractor for complying with requirements of the above conditions and specifications without any extra payment on any account.
24. **Arbitration** If the contractor claim that the decision or instruction of the Municipal Authority/ Engineer-in-Charge are unjustified or beyond contractual agreement that accordingly he is entitled to extra payment on account thereof, he shall forthwith notify this to the Municipal Authority/ Engineer-in-Charge to record his decisions and reasons therefore in writing and shall within two weeks state his claim in writing to Municipal Authority/Engineer-in-Charge, the Municipal Authority/ Engineer-in-Charge shall thereafter reply to the points raised in the claims. Unless resolved by negotiation or discussion, the question on liability for such claims will be treated as dispute.

The decision of the concerned Superintending Engineer, Municipal Engineering Directorate shall be final conclusive and binding on all parties to the contract upon all question relating to the meaning of specification and instructions and as to the quality of workmanship or materials supplied for any matter arising out of or relating to the specification and instructions concerning the supply work or a failure to execute the same arising during the course of works. The above shall not be the subject matter of dispute or arbitration and in any case shall the supply work be stopped consequent on such a dispute arising and the supply work shall also be carried out by the contractor strictly in accordance with the instruction of the concerned Superintending Engineer.

In any case dispute arising on matters other than clauses mention above shall be referred to the interpretation, decision and award of an arbitrator. The provision of the Indian Arbitration Act and rules there under with statutory modification thereof shall deem to be incorporated in this contract.

The contractor shall no delay in carrying out supply works in such matter, question or dispute being referred to arbitration but shall produce with the supply work with all due diligence and the contractor shall not be relieved from his obligation and commitment of completing the supply work and shall adhere strictly to the instruction of the Engineer-in-Charge with regard to the actual carrying out of the supply work.

In case of any arbitration, the award shall be a speaking one, that is the arbitrator or the umpire as the case may be shall recite facts and assign reasons in support of the award after discussion fully the claims and contentions of the parties.

25. **Terms of Payment**

Payment will be made within 30 days after receiving the pipe materials as per stipulated terms and condition laid down in the agreement.

26. **Typographical Error**

Typographical errors deducted or pointed out are subject to corrections by the Quotation Inviting Authority. No benefit can be derived by any party on account of such error.

27. **Completion Certificate**

Municipal Authority/ Engineer-in-Charge will issue certificate of completion of supply work when all supply works or otherwise undertaken have been completed in all respect.

28. In the event of the Quotation, being submitted by a Partner Firm, it must be signed separately By each member thereof, or, in the event of the absence of any partner, it must be signed on behalf by a person holding a Power- of – Attorney authorizing him to do so.
